# The Story of Aladdin's Lamp

and the surprising benefits that it brought to its possessor is sur-  
passed by the actual experiences of many who have prospered  
through the seeming enchantment of Modern Advertising.

Aladdin's lamp was useful only to the one who knew its secret.

Advertising is properly effective only when those who are  
experienced and skillful in all its departments give it intelligent  
direction.

We have had to do with some of the year's most successful  
advertising, and believe we have proved our claim to talent, tact, and skill.

While we secure to advertisers the very lowest rates in publications,  
we are not mere brokers in newspaper and magazine space. We formulate  
the whole advertising plan, then carry it to a successful issue, preparing  
advertising copy and placing it in the proper mediums. We create the  
highest class of illustrative advertising—street-car cards, calendars, posters,  
cover designs, etc.—and will be glad to submit sketches. We meet the  
general advertiser more than half way in an effort to come to a business  
arrangement.

Special Reports,
Law, Collections,
Loans.

We make you a written report of the condition of your claims every thirty days, and if we are unable to collect them we will return them to you inside of sixty days. Remittances and statements made on the first of every month, and on amounts over \$10.00, remittance is made to the day of collection. All business relations are strictly confidential. We advance court costs and furnish a lawyer for the trial of cases when claims are taken on a commission basis. We are bonded by The Fidelity and Deposit Company of Maryland, through the Association of Bonded Attorneys, guaranteeing the prompt remittance of all moneys collected. When we make the collection you are sure of your money.

We refer you to the following well-known firms:
William Young & Co., 95 Board of Trade.
F. L. Sweeney, M. D., 323 State Street.
E. H. Carmack, 85 Dearborn Street.
William F. Johnson & Co., 59 Board of Trade.

We furnish strictly up-to-date reports. Give us a trial and be convinced.

# The Martin White Detective Agency

(INCORPORATED)

THIS Agency is prepared to undertake all proper Detective business entrusted to it by Railroad or other Corporations, Banks, Mercantile Houses, Attorneys or private individuals. It does not operate for Rewards or engage in Divorce Cases. We make a specialty of protecting Wholesale and Retail Stores from the depredations of shoplifters, pickpockets, Pennyweights, etc. We will pay liberally for information tending to identify any persons defrauding firms that we protect. A list of the firms that we protect may be secured upon application made by Phone or otherwise. We excel all others in the investigation of Personal Injury Accident Cases, and would gladly refer any one in need of that class of service to some of the patrons we are now serving.
